The roadmap may change , a change is being made , there may also be additional bonuses for NFT owners of this collection

Join us, get a chance to win free NFT on our sweepstakes. A long-term project. Become a part of our community, we welcome everyone. I like the progress of this amazing project. NFT ownership gives you membership in the Millionaires Club, where you will receive special benefits, full access in the future to the metaverse where you will be able to meet with the highest members of the club, and be invited to exclusive events such as exclusive parties in the future.

Octopus Shifter Lovers Club expands the opportunities for all people to join the NFT space, we already have many amazing and talented women supporting our project, gamers, models, artists, business owners.
